- ½ price WSM support at all non-conflicting Infineon test days
- Championship winning race engineer
- \$55,000 in tires
- \$20,000 in race fuel
- \$25,000 in entry fees
- New muffler, air filter, & spark plugs every event

### Additional value:

- WSM will enter a maximum of 4 full time drivers in the Star Mazda Series
- Benefit of experience with the largest fleet of Pro Formula Mazdas in the world
- Computerized proprietary preventative maintenance system
- In house chassis dyno
- Based at Infineon Raceway for easy testing

### About the team:

The core team at World Speed Incorporated has a cumulative 70 years of spec formula racing car experience. World Speed Motorsports, has won races and championships in Formula Atlantic, Star Mazda, and Formula Renault.

### Mission Statement & Core Values:

- To do the right thing in all things.
- To fulfill the visceral love people have for speed, competition and technology.
- To be the best run and operating business in the racing world.
- To have a positive effect on the world that we live and work in.

### Location:

WSM headquarters is in Sonoma California at Infineon Raceway. Infineon Raceway is a top level road racing course that hosts many major events including the IZOD IndyCar Series, and NASCAR's Sprint Cup Series. Being based at Infineon Raceway allows World Speed to participate in an average of three test days a month at discounted rates, and with priority status.
